ber Than in the Entire Fiscal

Year Ending With June,

Washington, D. C., March 4 .- The growing dependence of the United States upon foreign countries for a part of its

food supply lends interest to a special statement regarding imports and exports of eggs, prepared by the bureau of for-eign and domestic commerce, department

of commerce. Imports of eggs in the month of December last amounted to 1,514,296 dozens, or more than in the

ntire fiscal year which ended with June,

1913. In the fiscal year 1903 the im-

ports amounted to 368,000 dozens; in 1910, 818,000; in 1913, 1,387,000 dozens;

new tariff law-October, November, and

Eggs other than those in the natural

condition are still subject to duty, though

Frozen or preserved eggs, the duty on

former tariff, shows for the last three

months of 1913 a total importation of

proximately \$115,000. Egg yolks, now dutiable at 10 per cent ad valorem in

each case the imports were considerably

larger than those for the corresponding

CATARRH LEADS TO CONSUMPTION

Sarsaparilla Is the Best.

Catarrh is as much a blood disease as scrofula or rheumatism. It may be relieved, but it cannot be removed by simply local treatment. It causes headache and dizziness, impairs the taste, smell and hearing, and affects the voice, hurts the stomach, deranges the digestion, and breaks down the general health. One of its worst effects is the weakening of the delicate lung tissues, which leads to con-

Old reliable Hood's Sarsaparilla found to be of great service in the treatment of catarrh. It goes to the seat of the trouble, purifies the blood, and is so successful that it is known as the best

Hood's Sarsaparilla strengthens and tones the whole system. It builds up, Ask your druggist for Hood's, and get it to-day .- Advt.

Montpelier yesterday returned to the wet" column by a vote of 717 to 690.

A large vote was cast on all questions and James M. Boutwell was elected mayor almost unanimously, receiving 1.344 votes. On the State House addition, the vote was, yes 1.340; no 84. On the preferential referendum, there were 504 preferential referendum, there were 504 preferential referendum, there were 504 in favor and 137 against; on the direct constable, E. D. # **Shoes that Stand** Sloppy Weather!

Snow and slush and muddy weather are hard on any kind of shoes, whether you wear overshoes or not.

Some shoes stand that racket better than others — usually because they are made better.

That is the reason why

# Regal Shoes

stand up unusually well in all kinds of weather—they are made better.

\$3.50 to \$5.00 per pair

J. N. MARCHAND

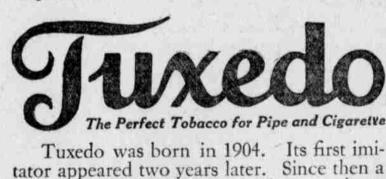

"Fill my pipe with Tuxedo and 'm content. You can't beat Tuxedo for mildness and purity.

# There is a Great Difference in Tobaccos

Tuxedo is the Mildest, Sweetest, Most Pleasant Smoke in the World, Because —

First-No one but the makers of Tuxedo is willing to spend the money necessary to buy the mildest, choicest, most thoroughly aged, selected Burley tobacco.

Second-No one but the makers of Tuxedo knows how to treat this Burley tobacco so that every bit of pleasantness and goodness remains in the tobacco and every bit of unpleasantness and harshness is taken out.

host of imitations have been born, and are clamoring for your patronage. No imitation is ever as good as the original. No amount of advertising, no amount of gives as cool, sweet and satisfying bluster and bluff, can ever make an imita-

tion tobacco as good as Tuxedo. If you are not a pipe smoker, you are denying yourself the greatest smoking pleasure known

to man. One week of Tuxedo will give you more enjoyment than you have ever had-and at the end of the week your nerves will be better and your general health will have improved. Try Tuxedo this week!
